

Financial Tear Sheet

Corporate Profile

Lombard Medical, Inc. is a medical device company focused on the \$1.8bn market for minimally invasive treatment of abdominal aortic aneurysms (AAAs). The Company has global regulatory approval for Aorfix™, an endovascular stent graft which has been specifically designed to treat patients with the broadest range of AAA anatomies, including aortic neck angulation up to 90 degrees. The Company has also achieved CE Mark for the Altura™ endograft system, an innovative ultra-low profile endovascular stent graft that offers a simple and predictable solution for the treatment of more standard AAA anatomies.

Lombard Medical is based in Oxfordshire, UK.

Lombard Medical's shares trade on the NASDAQ Global Market under the symbol EVAR.
